

## The VariQuest™ Awards Maker – A Tool to Support your AYP Gains

Educators require the appropriate tools to support school and district Adequate Yearly Progress (AYP) initiatives; the VariQuest Awards Maker is an essential motivational tool.

Rewarding students with personalized awards gives them a sense of accomplishment and helps create a direct correlation between praise and goal achievement.

Use the Awards Maker to easily, quickly and affordably create customized awards to recognize student achievement in core academic subjects such as English/language arts, mathematics, science, history and geography.
